2014 Jr. High Rally "Why Doubt?"

Who: All WPD Jr. High Youth (6-8th grades)

What: Jr. High Rally

When: February 7-9, 2014

Friday, 6PM until Sunday, 1PM

Where: Community Church of the Brethren,
Hutchinson, KS

Why: To ask the question, "Why Doubt" and reflect on how we can grow in our relationship with Jesus and turn doubt from stumbling blocks to stepping stones and grow in faith and build our relationship with Jesus Christ!

"It is scary to feel uncertain about yourself, everyone wonders, can I believe the Bible? What is salvation? Am I saved? Doubt is scary. Peter believed in Jesus enough to walk on water. But when Peter started to doubt, he began to sink. Jesus immediately caught Peter and saved him. When you doubt, Jesus is still there. It doesn't drive Him away. So why doubt? Jesus loves you, you will not sink."

Come and share in a fun weekend with games, Bible study, a service project, laughter, devotions, and celebration. Come and explore what stumbling blocks are in your life, come and study Peter and other stories, learn how to create stepping stones from stumbling blocks. We look forward to seeing you at the rally. We will also be talking about BVS, camp, and sharing our faith with others through words, deeds, and service.
