

Family Camp 2014

70th Anniversary Reunion

Traditions— September 26th, 27th and 28th

—-Camp Mt Hermon Family camp and 70th Anniversary Reunion

Bring your family and return to Mt Hermon for a weekend reunion of campers: past and present, trustees, leadership team members, pastors, youth ministers, scouts, 4-H clubs, and all others who have been part of Camp Mt Hermon. Come out to see the camp, visit with old campmates and help us celebrate our traditions. Join in for the weekend or just come out for a day, a morning, or an evening.

Plan to enjoy the activities or just relax, explore the grounds and visit with friends. The activities will be fun, the events casual and the atmosphere laid back and relaxed. About the only thing we have on a set schedule is meals....they will be on time.

So, look for your pictures, refresh your memory and bring them along to join in and celebrate.....**Traditions.**

Honoring the Church of the Brethren Quilters

The Topeka Church is going to donate a quilt that will be tied by campers. When you come to Camp Mt Hermon for Family Camp be sure to “tie the knot” on the quilt. This is one way we can all get involved in the history of Camp Mt Hermon. Just think in 30 years, someone will bring that quilt back to the 100th Anniversary. And you can say, “I tied a knot in that quilt.”
