

YOU ARE INVITED!

The Gathering Celebration Team would like to invite you to a Celebration Banquet at the Cedars on July 23rd beginning at 5:30 pm. This banquet is to recognize those that worked so hard to envision transformation in Western Plains, as well as making the *Gathering* an event that everyone could attend and get to know our fellow brothers and sisters in Christ.

This event is **\$11.00 per plate** and the Cedars will serve us Roast Beef, mashed potatoes, a vegetable, and a dessert.

**If you have any special dietary needs, please let us know so we can make other arrangements.*

If you are able to attend, please send the name(s) of those attending, any dietary restrictions, along with a check for the number of people, to the Western Plains District Office (see address below) by June 15, so we can make arrangements with the Cedars.

There will be a program provided during this event, so come prepared for a good time and some great food as we celebrate the *Gathering* and all it has meant for the Church of the Brethren in Western Plains!

Part of the banquet program will be sharing of personal thoughts about the *Gathering*.

We are seeking 10-12 people who plan to be at the Cedars in person, and another 10-12 people who will be attending virtually. These thoughts should be brief, since we have a lot to celebrate and would like to get it all in before our evening worship for conference.

If you could keep your comments to thirty seconds that would be perfect!

If you would like to share, please contact Darrell Barr at cbarr49@yahoo.com. Darrell will be working with those that plan on attending at the Cedars, and Larry Kitzel will be working with those that plan to attend virtually. Contact Darrell and he will share Larry's contact information with those who would like to share virtually. You will receive a program with photos either electronically or in person.

We invite you to take part in any way you can, and remember, we are celebrating the transformation movement and the *Gathering*, an event that has had great impact in the district for fifteen years!
